

SEL at P.V.P.S

What is SEL at P.V.P.S

resilience

INCLUSION

Respect

RESPONSIBILITY

Our Vision..

At Pascoe Vale Primary School the students, staff, parents and the local community have the right to learn, teach, work and participate in an environment that is safe, respectful and supportive.

The Melbourne Declaration on Education Goals for Young Australians (2008) states: "Schools play a vital role in promoting the intellectual, physical, social, emotional, moral, spiritual and aesthetic development and wellbeing of young Australians".

SEL Program

At Pascoe Vale Primary School, all students participate in a weekly session promoting aspects of social and emotional health.

These are some of the areas that SEL covers throughout the year:

Pascoe Vale Start Up program

School Values

Code of Conduct

CASEA program

Personalised Learning

Buddy Program

Bullying prevention &

Cyber bullying /E Smart.

PVPS VALUES:

Respect

We respect ourselves, each other and our school environment and understand that our attitudes and behaviours have an impact on the people around us. Everyone has the right to learn and the right to be safe. We are respectful when we are kind, polite, honest and thoughtful. We show respect when we treat ourselves, others and the environment with the highest care.

Responsibility

We show responsibility by taking ownership of our learning, actions and belongings. Students understand they have ability to act independently and make their own decisions. Students reflect on their actions to become independent individuals, with positive self-talk and by being up standers.

Inclusion

Inclusion creates a sense of belonging. We are accepting of others and their views and treat everyone fairly, regardless of gender, age, race, religion or disability. We treat each other fairly with care and compassion. We understand people may have different views or feelings and we are supportive, accepting and caring towards them, working together no matter our differences.

Resilience

Resilience and the ability to bounce back from challenges and adversity improves learning and wellbeing. We encourage flexibility in thinking and attitudes, a positive growth mindset and a can do attitude.
