Dear Parents/Guardians

Pascoe Vale Primary School is using ClassDojo to encourage important classroom skills and school values, like working hard, being responsible and participation. ClassDojo is a communication app for the classroom. It connects teachers, parents, and students who use it to share photos, videos and messages of what is happening in their classroom. We want to use ClassDojo to work together as a team, share in the classroom experience, and bring big ideas to life in the student's classrooms and homes.

The **free** application easily connects you with your child's classrooms on ClassDojo. You can see all of your child's feedback from teachers, hear important announcements and updates, and see photos and videos from class! You'll also be able to see your child's classwork on their Student Story. ClassDojo helps teachers celebrate student moments in the classroom, and share with parents at home.

**How to use**

The application is **free** and parents can use it on any mobile IOS device, Android mobile device, Kindle Fire or computer to connect! You can also read all Class Story Posts in your preferred language instantly. Safe for all as your child's information is kept safe on ClassDojo. Only your child, their teachers, and you as their parents can see their classroom story.

**Stories**

Stories are instantly updating with streams of pictures and videos from the school day. Every class, school and student has their own Story, all of which are shared home with parents. School Story helps school leaders to share with all families connected to their school, Class Story helps teachers to share with all families connected to their class, and Student Stories helps students to create their own story: a timeline – or portfolio – of what they've learned.

**ClassDojo Privacy Center**

Visit [www.classdojo.com/PrivacyCenter](http://www.classdojo.com/PrivacyCenter) to see how ClassDojo protects its entire community of teachers, parents and students. To learn more about the app visit [www.classdojo.com/LearnMore](http://www.classdojo.com/LearnMore)

**Protocols of use**

Teachers will be using the application to connect you to your child's classroom. If you wish to discuss your child's progress or other matters, you will need to follow the school procedure by **contacting the school directly** to arrange a meeting with your child's teacher.
